SANTA PHOTOGRAPHY MADE EASIER

1. Visit the Santa set in the Fashion Mall, where photography staff will place you into the digital queue and you'll be given an estimated wait time.
2. Check your place in the queue at any time on the monitors at the Santa set or Concierge. Plus, if you provide your phone number you will receive SMS notifications on the queue's progress on your mobile device, including when you return for your place.

Please arrive back to the queue on time as your place in the queue will be removed after a no show of 30 minutes or more.
